

# Caring for Kelly

Ladies and Gentlemen:

SUBJECT: *Caring for Kelly Benefit*

Please help us take care of Kelly Malecki by donating goods, services, or money to offset her and her family's expenses as Kelly undergoes treatment to eradicate her cancerous brain tumor. A benefit is planned for August 5, 2007 at 115 Bourbon Street restaurant in Merrionette Park. Supplies for the benefit or items for the silent auction would be beneficial.

Kelly, age 4, was admitted to Children's Memorial Hospital on March 20, 2007 and was diagnosed with medulloblastoma, an aggressive brain tumor. The tests confirmed that tumor had spread to her spinal cord and another part of her brain. Surgery was scheduled for the following day with complicated results; parts of the tumor were inoperable. She is concurrently undergoing chemo and radiation treatments.

Enclosed are donation forms. Whatever help you can offer will be greatly appreciated and recognized at the benefit.

Thank you,

The Caring for Kelly Committee
